 CO - Records of the Colonial Office, Commonwealth and Foreign and Commonwealth Offices, Empire Marketing Board, and... [Prev 30](#) | [Next 30](#)  [Prev 30](#) | [Next 30](#)  **Division 3 within CO** **1570-1970****Correspondence with the colonies, entry books and registers of correspondence**

Correspondence with the colonies, entry books and registers of correspondence relating to the administration of individual colonies. Also includes a few records of governments of colonial and mandated territories that were sent to London for various reasons.

The earlier original correspondence was at first simply the incoming dispatches of the colonial governor, with which may or may not be found enclosures. In the course of time the original correspondence came to include office minutes and drafts of outgoing dispatches as well as correspondence from other sources. Later records document schemes funded under the Colonial Welfare and Development Act of 1940.

Records of the Concessions and Finance Committees are in CO 948
